BFT PREMIUM DINplus (Premium) **BFT GOLD** ENplus-A1 (DINplus)

| Pellets standart | ENplus-A1 (DINplus) |
|----------------------------|--|
| Color | Gold yellow |
| Composition of the pellets | 100% pure pine |
| Diameter | 6 mm |
| Length | 8-30 mm |
| Humidity | 5,00% |
| Ash content | 0,34% |
| Mechanical strength | 97,80% |
| Dust | 0,30% |
| Nitrogen | 0,12% |
| Chlorine | 0,015% |
| Sulfur | 0,005% |
| Bulk density | 670 kg/m ³ |
| Calorific value | 4841 kcal/kg \approx 19,88 MJ |

| Pellets standart | ENplus-A1 (DINplus) |
|----------------------------|---|
| Color | Gold |
| Composition of the pellets | 80% core of pine 20% hardwood |
| Diameter | 6 mm |
| Length | 7-45 mm |
| Humidity | 5,40% |
| Ash content | 0,42% |
| Mechanical strength | 95,6% |
| Dust | 0,25% |
| Nitrogen | 0,18% |
| Chlorine | 0,018% |
| Sulfur | 0,016% |
| Bulk density | 590 kg/m ³ |
| Calorific value | 4720 kcal/kg \approx 19,8 MJ |

| Chlorine | 0,025% |
| Sulfur | 0,017% |
| Bulk density | 680 kg/m ³ |
| Calorific value | 4589 kcal/kg \approx 19,28 MJ |

PELLET
PRODUCTO PARA CALEFACION

PELLET HEATING PRODUCT

BioFuel Ceu is one of the largest Marketers of wood pellets in Ukraine. Our manufacturing facilities are located in Kyiv regions. The design capacity of 12 000 tons per year. Pellets are produced without any chemical additives. The main source of raw material is high-quality wood of pine or hardwood. Production has certificates confirming the quality and sustainability of the product. The average ash content of our product 0.32% - 0.46% (for ENplus-A1) and 0.50% - 0.76% (for ENplus-A2).

Production capacity allows producing up to 35 tons per day. Wood pellets are always available on dry stock in stock in big bags and bags. Currently we are producing pellet standards ENplus-A1, ENplus-A2, and EN-B with a diameter of 6 mm and 8 mm. for private and industrial use. The quality of our product is suitable for the most demanding boiler without restrictions. Manufacturing products export expansion to Europe. We offer retail and wholesale prices for our partners. Packing and packing pellets in bags is possible with your design and logo.

Charcoal - Carbón Vegetal
