

### **Soft cheese cream 125 g.**

Ingredients: Cheese (pasteurised cow's milk and sheep's milk, salt, rennet, calcium chloride, preservative: lisoizima –egg white enzyme- and lactic ferments), sheep's milk, cream, water, melting salts E-331, E-452 and preservative E-202.

Tasting Notes: Aromas reminiscent of yoghurt and butter. Mild flavour with sweet notes and elegant acidity.

### **Semicured cheese cream 125 g.**

Ingredients: Cheese (pasteurised sheep's milk and cow's milk, salt, rennet, calcium chloride, preservative: lisoizima –egg white enzyme- and lactic ferments), sheep's milk, cream, water, melting salts E-331, E-452 and preservative E-202.

Tasting Notes: A balanced flavour, with the perfect balance of acidity and harmonic aromas. Medium intense aftertaste with a sheep's and cow's milk aroma.
