

Diet Solution

Enriched with Svetol®

► Benefits

Real weight loss begins with you, we just add the benefits of natural fruits and vegetables. Enriched with Svetol®, extract of decaffeinated green coffee that induces weight loss.

Action

Its balance formula contains extracts of artichoke and pineapple, to stimulate good drainage and elimination, Orange Fiber to help with constipation, Artichoke as natural diuretic, and Phaseolus to block the absorption of carbohydrates.

How to use it

Water is necessary for your body to digest and absorb vitamins and nutrients. It also detoxifies the liver and kidneys, carries away waste from the body and helps with your digestion.... Don't forget to add a **bio3** Diet Solution stick to your diet and enjoy it!
