

In Serpis we have reduced up to 75% the sodium content of our olives stuffed with anchovies. SERPIS Benefit is a good alternative for consumers who want to care without sacrificing Serpis Anchovy Stuffed Olives flavour. We have also enriched our already famous olives stuffed with anchovies, with Omega 3 and Soya to help reduce and prevent cholesterol.

Serpis Anchovy stuffed olives are the olives on the market with most filling and are produced with the best raw materials, enabling us to offer our clients the traditional and characteristic flavour of the best appetizer in the world. The three varieties: Less Salt, More Stuffing & 5 star come in various sizes from 125g to 900g. Serpis Anchovy stuffed olives always satisfy the most demanding consumers.
